Encore, the new signature resort in the Wynn collection, is now taking reservations for early 2009. Located next door to flagship property Wynn Las Vegas, Encore is a distinct resort destination with its own repertoire of accommodations, culinary offerings and leisure activities including 11 retail outlets, seven cozy bars and lounges, five restaurants, one ultra-chic nightclub and an opulent spa and salon.

Discover magical moments at Encore Las Vegas where natural light infuses the casual elegance of the resort. Designed to fill your stay with moments of discovery and evoke your sense of wonder, signature elements of the Encore experience include a landscape of foliage and shimmering pools of water. Butterflies flirt over vibrant carpets, mosaic tiles and textured walls to draw you into a playful juxtaposition between indoors and out.

Encore pampers guests in an atmosphere both intimate and indulgent, with 2,034 suites that offer style in a comfortable, residential feel. Each of the resort rooms offers the ultimate luxury of space, featuring Resort Suites spanning 700 square feet. Guests revel in luxurious accommodations with dramatic views, an extravagance of marble and limestone and, of course, the exquisitely comfortable Wynn Dream Beds that engulf you upon arrival.
